

# Water Circulation Pump

## WEV 6 Series for EV

▶ **3-phase Brushless Motor/ Centrifugal Pump / for Cooling and Heating system**

### Features

✓ Soft Start    ✓ Single Speed / Variable Speed    ✓ Water Proof Level: IP 68

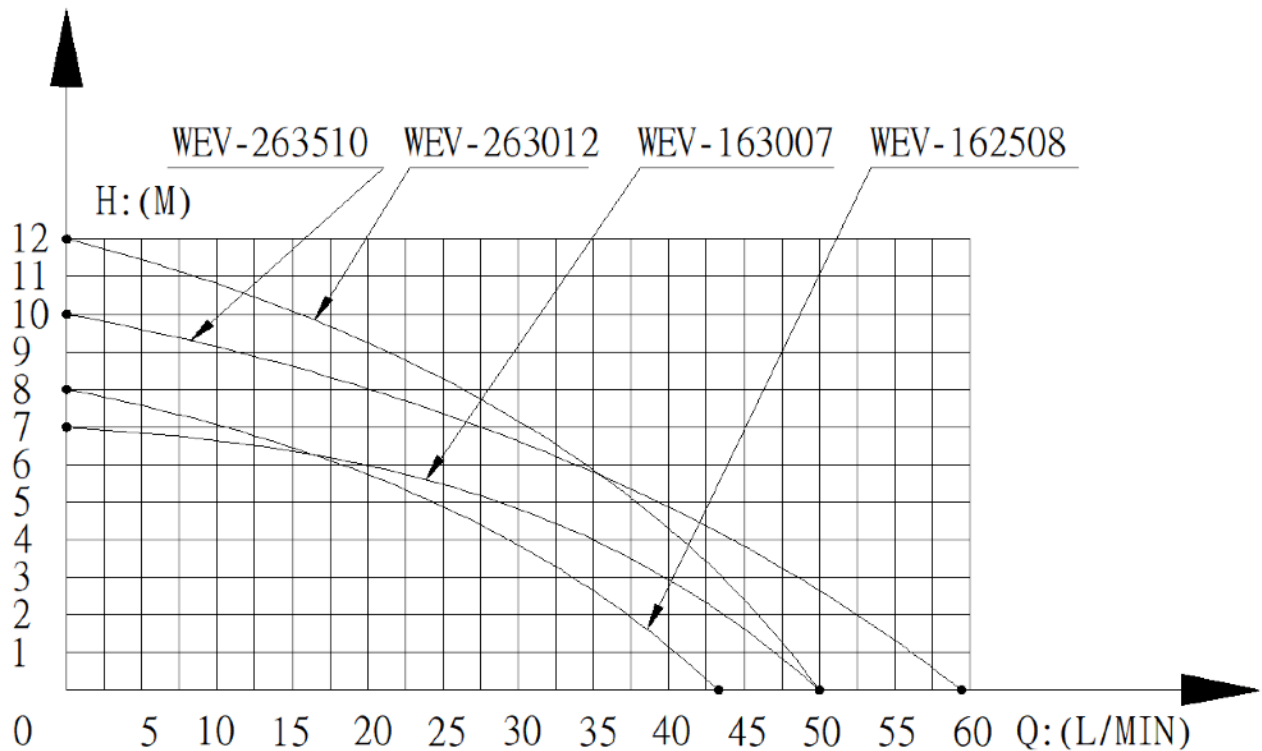

| Model #                 | WEV-162508                          | WEV-263012 | WEV-163007               | WEV-263510 |
|-------------------------|-------------------------------------|------------|--------------------------|------------|
| Voltage                 | 12 V                                | 24V        | 12 V                     | 24 V       |
| Voltage Range           | 5-14 V                              | 5-26 V     | 5-14 V                   | 5-26 V     |
| Current                 | 5.5 A                               | 5.5 A      | 5.5 A                    | 5.5 A      |
| Max. Power              | 66 W                                | 132 W      | 66 W                     | 132 W      |
| Flow Rate               | 2500 LPH                            | 3000 LPH   | 3000 LPH                 | 3500 LPH   |
| Pressure                | 8 M                                 | 12 M       | 7 M                      | 10 M       |
| Inlet Diameter          | 22 mm                               | 22 mm      | 27 mm                    | 27 mm      |
| Outlet Diameter         | 22 mm                               | 22 mm      | 27 mm                    | 27 mm      |
| Water Temperature       | -10 ~ 105 °C                        |            |                          |            |
| Ambient Temperature     | - 10 ~ 85 °C                        |            |                          |            |
| Storage Temperature     | - 10 ~ 85 °C                        |            |                          |            |
| Dimensions              | 154.0 x 114.3 x 122.0 mm            |            | 154.0 x 114.3 x 127.0 mm |            |
| Pump Body Material      | PPS GF30 + Aluminium                |            |                          |            |
| Noise Level             | < 40 dB                             |            |                          |            |
| Single / Variable Speed | Single Speed / Variable Speed (PWM) |            |                          |            |
| Controller              | Built-in                            |            |                          |            |
| Weight                  | about 1.4 kg                        |            |                          |            |
